

New ODP Check in and Training Procedures

In order to conform to the Restore Illinois guidelines, please review the following procedures. Please be aware of the important registration and uniform purchase deadlines.

Without Exception, all participants **MUST** wear masks that cover their mouth and nose while participating in indoor practices and intra-team scrimmages.

Registration Deadline – 11/8/2020

1. Registration Deadline is Sunday, November 8, 2020. There is no exception since participants need to be grouped according to the Restore Illinois guidelines.
2. Upload a headshot photo (not a full body shot) to your profile at registration. Do not wear a mask, sunglasses, a hat or anything that obstructs your face in the photo.

ODP Uniform Order Deadline – 10/30/2020

1. You must purchase the ODP uniforms online and they will be shipped to you. (Uniforms will not be available at check-in.)
2. Purchase your uniform at the ODP Online Store by October 30, 2020 so it could be shipped to your house before the first session.
3. Once you have submitted your registration, you will receive a confirmation email with the uniform order link.
4. Numbers will be randomly assigned.
5. ODP spirit wear will be available for purchase at the online store.

Training

1. Due to the State of Illinois group restrictions, parents are not permitted at the facility during ODP.
2. Each facility has its own Covid protocol regarding entry, exit, sanitation, etc. These will be posted on the ODP webpage.
3. To limit gatherings and to track participants, players must check in directly with their coach when they arrive at each training session. The groups will remain static.
4. Since players must immediately leave the facility at the conclusion of their session, parents must be available to pick them up on-time.

Refund Policy

If Illinois Youth Soccer cancels ODP, it will retain a \$150 non-refundable administrative fee. If Illinois Youth Soccer cancels an ODP session, it will prorate accordingly. No refunds will be issued to players who are unable to participate in an ODP session for any reason.

**All guidelines subject to change based on State of Illinois Return to Sports Guidelines*
