

A one-stop solution to registration

Illinois Youth Soccer is proud to announce its partnership with GotSoccer in bringing to our members a one-stop registration, scheduling and background check system.

We hope that you enjoy this new service.

What is included in the Free registration system

Illinois Youth Soccer currently affiliated leagues will receive a GotSoccer account that they can use to register players with the state, do risk management, team building and have the ability to email coaches and teams with account login information.

- Leagues can enter player and coach information directly into the registration system for **FREE**.
- Leagues can issue player and coaches passes and rosters for **FREE**.
- Leagues can schedule games using the GotSoccer league scheduling system for **FREE** as long as the league uses current capabilities. (GotSoccer currently schedules over 800 leagues and tournaments.)
- Leagues can conduct and pay for their own background checks through GotSoccer at a cost of \$3.50 per outside search and see the search results.
- Leagues can email coaches and teams for **FREE**.
- Leagues can invoice their members for **FREE**.

What is included in the Full Online registration system

For a special Illinois Youth Soccer Member discounted rate of \$2 per player per year, regardless of how many times a player is registered, the League can purchase a true online registration system from GotSoccer.

For this fee, the leagues have the following added features:

- The players and coaches can sign up online.
- The players can pay by credit card or e-check into the league's bank account.
- The league can schedule a payment plan for the players.
- The league can email teams, coaches and players.

For an additional fee, GotSoccer can build a website and provide other website services.
